*"New technology
revolutionizes hair color!"*

It's D.A.T.E.M. technology. It will transform your business.

It's that advanced. It's that simple.

AFFINAGE – DEMONSTRATION & TECHNOLOGY CLASS

erasing unwanted color and recoloring resistant white hair without using a brown base... in half the time!

using a high lift tint that lifts six levels and is healthy for the hair and the environment!

converting permanent color to demi-color with 100% color deposit and no lift!

earning lifelong clients, long-term referrals and a reputation as a miracle worker!
