PERMANENT HAIR COLOUR CREME

AFFINAGE
SALON PROFESSIONAL

"New technology revolutionizes hair color!"

It's D.A.T.E.M. technology. It will transform your business.

It's that advanced. It's that simple.

AFFINAGE – COLOR WORKSHOP

erasing unwanted color and recoloring resistant white hair with out using a brown base... in half the time!

using a high lift tint that lifts six levels and is healthy for the hair and the environment!

converting permanent color to demi-color with 100% color deposit and no lift!

earning lifelong clients, long-term referrals and a reputation as a miracle worker!

Imagine... **AFFINAGE** SALON PROFESSIONAL
